

4/2/20

Dear Indianapolis Classical Schools Families,

This afternoon, Governor Holcomb announced that Indiana schools will remain closed for the remainder of the school year. Based on earlier projections and the trajectory of the coronavirus pandemic, we have anticipated and prepared for this order to close our physical spaces. While we understand that these steps must be taken for the health and safety of our community, we are certainly saddened at the thought of not reuniting in person with our scholars this semester.

Our e-learning program will resume at the end of spring break on Wednesday, April 8. ICS will have E-Learning days on Mondays, Tuesdays, Wednesdays, and Thursdays following an A/B/A/B rotation. On Fridays there will be no new E-Learning assignments.

There will also be no e-learning assignments on Monday and Tuesday, May 4 and 5. Our teachers will be using these days to plan and prepare engaging e-learning assignments for the remainder of the school year.

We are so proud of the hard work of our students and teachers during this challenging time.

Please watch for information regarding upcoming e-learning plans and additional details on the impact of Governor Holcomb's order. Stay safe and be well!

Sincerely,

Janet H. McNeal and the Indianapolis Classical Schools leadership team
