The Indianapolis Classical Schools Fund

It takes many resources to establish & sustain the excellence that Herron High School and Riverside High School have attained. However, ICS faces the ongoing challenge of achieving this with fewer resources than other public schools receive.

As public charter schools, we only get a portion of the funds that it takes to provide a world-class education - with an incredible faculty, dedicated one-on-one attention for every student, enrichment opportunities like field trips, extracurricular clubs & athletics, and global travel opportunities... and it's not enough.

This year, we must raise \$300,000 to meet our operating gap and we need your help! We ask you to give generously as you are able with a gift to The Indianapolis Classical Schools Fund. Give the gift of a great education this holiday season by supporting the Indianapolis Classical Schools Fund. Every dollar goes to help support our scholars and we depend on your support! Visit <http://www.herronhighschool.org/give/> to make a gift.

If you have any questions, please contact Jason Simons, Chief Development Officer, at jsimons@indianapolisclassicalschoools.org or 317-231-0010 ext. 16128.

Continued Learning Plan for School Cancellations

Our Continued Learning Plan will be implemented in the event of a school closing. Here are the details:

- A cancelled day of school will be a Continued Learning Day C-Day so that we can keep academic content fresh in our students' minds in the event of a closure. Any time there is a school cancellation, all teachers will update their Haiku pages by 10:30am with:
- Instructions for a 15-20 minute assignment or activity that you will complete. You can choose either to print the assignment or to complete it on notebook paper.
- Updated information on when the assignment will be due and any changes to the dates of upcoming tests or due dates.
- If your student is unable to access or complete the assignment due to weather-related issues, they will receive a hard copy on the first day back to class and will have an extra day to complete it.
- **Continued Learning Day assignments are required, and your student should email their teachers with any questions or concerns as they work through the material during the cancelled day(s).** Please reach out to your student's counselor if you would like to trouble shoot internet accessibility or technology availability in your home.
