Vaccination requirements for 2020-21 school year

The Indiana State Department of Health requires two valid doses of hepatitis A vaccine for all grades beginning in the fall of the 2020-2021 school year. The hepatitis A vaccine is a two-dose series routinely recommended beginning at 12 months of age. This two-dose series requires at least six months between doses. This vaccine series is safe and effective at preventing hepatitis A, a highly contagious viral liver infection.

Herron High School requires that all students receive the first dose of hepatitis A by October 31, 2020, and the second dose by April 30, 2021. In addition, seniors are required to receive two doses of MCV4 (meningitis) by October 31, 2020.

Parents of students not in compliance with immunizations requirements, according to the records we have on file, will be notified by email. Submit records by fax to 317-231-3759, by email to jhagenauer@herronhighschool.org, or submitted to Student Services.

Face Coverings for Marion County Residents

Para información en Español oprima [aquí](#).

The program purpose is to provide a face covering free of charge to any Marion County resident who does not already have one. Masks are available through community partners, but home delivery of masks is encouraged if:

You or your family members are in a high-risk category

You do not have access to reliable transportation.

The City of Indianapolis' first priority is to provide face coverings to those unable to purchase or obtain a face covering, older adults, and people who have serious underlying medical conditions.

Face coverings are for adults only, one-size-fits-most. The CDC recommends against face coverings for children 2-years-old or younger and for anyone who has trouble breathing, or is unconscious, incapacitated, or otherwise unable to remove the face covering without assistance.

Please refer to CDC guidelines for when and how to wear face coverings.

To apply for a free face covering, click on this link <https://www.indy.gov/activity/face-coverings-for-marion-county-residents> and then click on the green "Get Started" button at the top right of the page.
