Face Coverings for Marion County Residents
Para información en Español oprima aquí.

The program purpose is to provide a face covering free of charge to any Marion County resident who does not already have one. Masks are available through community partners, but home delivery of masks is encouraged if:
You or your family members are in a high-risk category
You do not have access to reliable transportation.
The City of Indianapolis’ first priority is to provide face coverings to those unable to purchase or obtain a face covering, older adults, and people who have serious underlying medical conditions.

Face coverings are for adults only, one-size-fits-most. The CDC recommends against face coverings for children 2-years-old or younger and for anyone who has trouble breathing, is unconscious, incapacitated, or otherwise unable to remove the face covering without assistance.
Please refer to CDC guidelines for when and how to wear face coverings.
To apply for a free face covering, click on this link https://www.indy.gov/activity/face-coverings-for-marion-county-residents and then click on the green "Get Started" button at the top right of the page.
